30 TOPICS FOR ENGLISH CONVERSATION

A Practical Guide to Spontaneous and Fluent Expression

BY MUBASHIR MEHDI

Preface & How to Use

True conversational fluency requires a fast mapping between structural thoughts and natural, situational linguistic phrasing. This textbook compiles **30 essential structural conversation domains** encountered across real-world interactions, social settings, corporate operations, and technical professional discussions.

Each module provides high-impact strategic phrasal blueprints along with an optimized interactive script configuration to ensure immediate, natural contextual execution.
